About Intercontinental Exchange

Intercontinental Exchange (NYSE: ICE) operates the leading network of global futures and equity exchanges and provides world class clearing, data and listing services across commodity and financial markets. The New York Stock Exchange is the world leader in capital raising and equities trading. Formed in 2000, ICE's electronic trading platform brought more transparency and accessibility to the OTC energy markets. Soon after, ICE added global futures and cleared OTC markets across virtually all asset classes, data services and clearing houses. With a culture of growth through client service and innovation, ICE's global network and state-of-the art technology solutions serve the dynamic needs of market participants around the world. Today, the result is an ecosystem of 12 exchanges, 6 clearing houses as well as global data and listings services that combine to provide access to global capital and derivatives markets. www.intercontinentalexchange.com
